

**Harrison Billet's  
handcrafted brake parts are  
engineered to the finest  
tolerances and cut from the  
billet to give you the  
confidence that they can do  
what you need them to do,  
whatever the conditions.**

**With a customer base  
all over the world and with  
decades of experience and  
engineering excellence,  
you couldn't put your bike  
in safer hands.**

**SINCE 1985  
ENGINEERING  
EXCELLENCE**
